## WHAT IS THE FACILITATION OF TAX EVASION?

For the purposes of this policy:

Associates includes company contractors or an agent of the Company (other than a contractor) who is acting in the capacity of an agent, or any person who performs services for and on behalf of the Company who is acting in the capacity of a person or business performing such services.

Tax Evasion means an offence of cheating the public revenue or fraudulently evading UK tax and is a criminal offence. The offence requires an element of fraud, which means there must be deliberate action, or omission with dishonest intent.

Foreign Tax Evasion means evading tax in a foreign country, provided that the conduct is an offence in that country and would be a criminal offence if committed in the UK. As with tax evasion. the element of fraud means there must be deliberate action, or omission with dishonest intent.

Tax Evasion Facilitation means being knowingly concerned in, or taking steps with a view to, the fraudulent evasion of tax (whether UK tax or tax in a foreign country by another person, or aiding, abetting, counselling, or procuring the commission of that offence. Tax evasion facilitation is a criminal offence, where it is done deliberately and dishonestly.

Tax evasion is not the same as tax avoidance or tax planning. Tax evasion involves deliberate and dishonest conduct. Tax avoidance is not illegal and involves taking steps, within the law, to minimize tax payable (or maximize tax reliefs).

Tax means all forms of UK taxation, including but not limited to corporation tax, income tax, value added tax, stamp duty, stamp duty land tax, national insurance contributions (and their equivalents in any non-UK jurisdiction) and includes duty and any other form of taxation (however described).

#### **PREVENTION THROUGH VIGILANCE**

There is not an exhaustive list of Tax Evasion opportunities. At a more general level, the best defence against Tax Evasion and facilitation of Tax Evasion remains the vigilance of our employees and Associates and the adoption of a common-sense approach supported by our clear whistleblowing procedure. In applying common sense, team members must be aware of the following:

Is there anything unusual about the way an Associate of the Company is conducting their relationship with the Company or the third party (usually a customer)?

Is there anything unusual about the customer's or Associate's conduct or behavior in your dealings with them?  
Are there unusual payment methods?

Unusual payment methods and unusual conduct of third parties with Company Associates can be indicative that a transaction may not be as it seems.

Any actions that breach the Criminal Finances Act and the tax laws of wherever we operate brings harm to The Company and will not be tolerated.

You are responsible for properly following Visual Interiors & Partitions Ltd policies and procedures. These should generally ensure that all taxes are properly paid. **WHAT HAPPENS IF THE EMPLOYEE PREFERS, FOR COMMERCIAL REASONS, NOT TO REPORT THEIR SUSPICIONS?**

This should never happen. If there is any suspicion of any intention to evade tax and the transaction if nevertheless finalized, the Company can be criminally prosecuted, subject to a large fine and be publicly aired and shamed.
